(B) Bachelor of Professional Studies:- (B.P.S)

I Importance:-

The traditional commerce & Management education in India has become irrelevant in the new Era of globalisation. There is an urgent need to overhaul the existing education system to cope up with the dynamic world. With trade and commerce assuming innovative dimensions in the context of growing international business, the curricula for commerce faculty should be adapted and re structured to meet the future challenges of all sectors.

The above calls for a Professional approach which can be brought about by professionally run Institutions, keeping in view the need based professional approach for Commerce & management courses. DMSS has come out with a 3 years degree specialized course “Bachelor in Professional studies”. The students who offer this course will become a professional student after completion of the course. This professional course will pave the way for higher studies as well as professionally skilled jobs. The major thrust areas are Marketing, Accounting & Taxation and computer graphics, Digital Animation, web designing and Animation.

(C) Bachelor of temple administration (B TemA) 3 years

1) **Importance:-** Ever since time immemorial temples Mutts etc, have occupied a central place in Hindu society and have played a significant role in bringing the community together. They have also been important Centres of learning commerce, music,dance, & so on. The modern day temples, mutts etc, around the world have started to fulfil a similar promise and have increasingly become important in keeping the community together in an alien land and culture. Along with the increased importance, the problem of increased accountability to devotees, donors & Various other stake holders has risen. This has been compounded by the fact that the temples are mainly run by votunteers who cannot afford to spend too much time on the various

mundane activities within the temple mutts etc. so that they can maintain a suitable work family balance.

The above calls for a person who can be a professional by acquiring a special knowledge of temple administration and can devote much his time in managing temples, mutts & so on.

The D.M.S.S. look initiative in introducing a specialised course on temple administration, & introduced a 3 years Bachelor degree in temple administration. The major thrust areas of study are 1) History & Architecture of temples 2) Economics and management and 3) Religion & Philosophy.

The above course is designed in a holistic way and a unique course which combines the advantages of Vedas and modern temple management.
